

## **Dental Assistants: Become a Superstar on Your Team**

Have you ever felt frustrated or undervalued in your role as a dental assistant? Too often, assistants feel left out of key discussions, overlooked by exhibitors at meetings and trade shows, or viewed as an “expense” rather than a vital part of the practice’s success. It’s time to change that narrative!

In this dynamic, high-energy session, renowned speaker Mary Govoni will empower dental assistants to take pride in their contributions, enhance their professional impact, and elevate their role within the practice. Through a combination of lecture, interactive participation, and technology demonstrations, you’ll discover how to boost productivity, improve team collaboration, and find greater personal and professional fulfillment.

### **Learning Objectives:**

- Understand the key difference between success and significance.
- Learn strategies to increase self-confidence and job satisfaction.
- Enhance communication skills to become a more effective team member.
- Embrace the qualities of a STAR team member:
  - **Self-Confident**
  - **Tech-Savvy**
  - **A+ Attitude**
  - **Relentless in the pursuit of excellence**
